“ The most painful tears are not the ones that fall from your eyes and cover your face. They're the ones that fall from your heart and cover your soul.
My Son know that you were loved and you are missed !!!!

“ I am so sad to learn of J's passing..he was the most wonderful person to work with at Oracle. He always had the best stories and was always willing to lend a hand. Anytime a fire alarm would go off in our building..there would be J.. in his hard hat and vest..directing us all out of the building..Anytime i hear an alarm go off.. i just have a picture in my head of J!

My condolences to the family..my heart goes out to you.

“ I will really miss J so much. He was a great buddy at Oracle for the few years I knew him there. I could wander over to his desk to ask one quick question and would find myself still standing there an hour later. In that time we would discuss a multitude of subjects> politics, movies, work, music, US history, exercising and lifting weights...He was a really helpful and kind soul and I will think of him often.
