“ Uncle Al was a loving, kind, and caring person. He always made you feel welcomed in his home. He was always there to give you advice if you had a problem. He will always be in my heart until I see him again.

“ Al and Charlene have been like family for nearly 20 years, we depended on them and they on us. We traveled together, shared holidays and when my house was being built I lived with them. Al was such a great guy, loved kids as Marlie will testify, and always so supportive. He loved Charlene unconditionally and proved it every day. To say I will miss this guy is a total understatement. I love you both, Rest In Peace Al and Charlene, I'm always here for you💔🙏💔
