“ *Mr. Sappington was very dear to my heart for many reasons. I met him here at the Credit Union, and soon became very fond of him. We bonded through his stories of Vietnam, his love for his dog, and his hilarious stories about his trips to the doctor. He will be very sorely missed...*

“ *Amos and Sue both took my sister and I into their arms and hearts as their Grandkids while my parents were in Germany. This man opened his home as well as his heart to us. The friendship that continued for almost 40 yes between him and my parents showed what true friends were. I grew up pretty much only with Amos as my Grandpa and wouldn't have had it any other way. My kids knew him as Grandpa Amos, and also my Great Grandkids. Even though we were miles apart he was there to listen to me cry and gave me the support I needed when I lost my Dad , (his friend) 4 yes ago and my Mom 6 months ago. He never judged you but did tell you like it was without holding back all the while living you as you are. I have never met a man with such a loving calm heart as I did with Grandpa. I will miss him so much and will hold the memories I have of him close. He was one of a kind. I love you Grandpa.*

“ I'll miss my brother. We always had great conversations and laughter. He had the best advice, told it like it was-no sugar coating, always knew how to make you laugh when you felt like crying, never missed a birthday card or call, and best of all, always ended with those 3 words "I love you". I know he's happy, not suffering and at peace. Until we meet again Brother, I love you.
