“ I remember Bonnie when he played at the Cosmopolitan and he would let me go onstage and sing with him. He was such a nice man and I will miss him as I am sure many other people will. Prayers for the family.

“ Our thoughts and prayers go out to the whole family. Lots of memories of Uncle Bonnie and Aunt Ginny while I was growing up. I was always greeted with, "hi Moon"! I loved hearing the band practice downstairs when we would be visiting. I remember riding one time in his Mustang as a small child, maybe 7-8 years old, n telling him to go faster. I remember them having the Christmas tree flocked, n then him being excited to watch "A Christmas Story", n how he would laugh. The last time I saw him, I knew he was still young at heart.
