“ Dearest Singleton Family:
My sincerest condolences to all. Though it has been years since seeing all of you, your family holds a special place in my heart. Loved being one of the lucky teachers who got to work with you and get to know your mom. What a loving and involved parent!! She was always willing to roll up her sleeves and help with numerous school activities and always with a smile! My heart goes out to you as do my prayers. May God hold all of you tightly in his arms and may the many memories of good times give you comfort. Hugs and blessings to all of you!
