“ I want everyone to know..... Don Day was a great friend and the best cousin I could have asked for growing up.

*Whether we were fishing, camping, climbing mountains, hunting frogs, exploring lakes/creeks, swimming at the pool, playing football, basketball, baseball, watching sports, or drinking beer & talking about the things we would do/achieve in life..... he was always on my side and always supportive.*

*Big Don was more like a brother than just a cousin and he will be missed by many. Rest easy my friend & brother.*
