

Federico Guzman Jr.

November 4, 1980 - July 15, 2019

First we would like to thank everyone who has joined us to remember and honor my father, Federico Guzman Jr. The way my dad loved us was showed through his actions everyday. He worked hard and did anything for our family. From fixing our cars, to killing spiders, to taking us for drives, and telling us stories from work. My dad was a really, really great guy and an even greater dad. He loved to crack jokes and makes us smile and even if it wasn't funny, he'd laugh anyway and then we'd end smiling to laughing from his smile that lit up the room. One of the many memories that was shared by my brother was the time driving. Him, my uncle and my brother's friend Tony, were talking about the park rangers and my dad says, "They really think they're the shit," and then he says, "Go, go power rangers!" That is an example of the type of personality my dad had; always trying to make people laugh. He loved his job so much and he brought people together. I loved to hear him talk about his day at work, as he would love to tell me about, said my brother Fred. You were the backbone of our family dad, and did everything we couldn't do. We will miss you walking in from work everyday, greeting us with different tan lines and a smile. Perrita will miss you too. Thank you for loving us everyday, even on our hard days. Thank you for being our hero, a loving husband, son, brother, cuñao, and friend. We will carry on your hard work and strength and remember your contagious smile. We will never forget the many memories you left with us. Until we meet again, we love you Dad.
