“ *What a shock! I am so very sorry!! Gene's dad and my mom were in country school together so I've known him many years. On our wedding night (55 years ago) he & some others found our hotel room, knocked on the door, and just sat on the bed visiting like old friends. They stayed until the manager called and said that since we were just married, it would be a good idea if they left. I didn't love him right then, but have loved him as a friend for many years! He was a really great guy!!! Bob & I will keep the family in our prayers!!*
