

## Glen W. Guinn

December 19, 1972 - October 31, 2022

Glen W. Guinn, 49, of Pueblo West, was born in Calgary, Alberta in 1972. He moved with his family to Denver as a young lad. Glen enjoyed the Colorado lifestyle for 8 years before moving to Vermont with his mother (Gwen) and his stepfather (Herb, deceased). After graduating high school Glen returned home to Colorado where his dad (Bill, deceased) and three brothers (Dean, Stace and Marty) reside. Glen worked in the pool and spa industry as an outstanding salesman and award-winning service technician. He eventually started his own business, SoCol Pool and Spa, servicing the Southern Colorado community for many years until his unexpected passing. Glen will be remembered for his generosity, his brutal honesty and his love of dogs. Glen was an all-around guy with a big heart, he will be missed immensely by all those who knew him. He was "one of a kind", his spirit will live on in our hearts forever.
