

Karen Kay Greenwood-Smith

May 22, 2021

Karen Kay Greenwood-Smith, 68, passed away unexpectedly on May 22, 2021. Karen was so many things to so many people. She was a dog mom, a daughter, a sister, a best friend, a favorite aunt, a HERO, the coolest mom ever, GK to her one and only beloved grandson, the world to her children and the original baseball mom long before soccer mom was even a thing. She will be missed greatly by all who knew her. Now she is finally reunited with her sister, Skippy, dancing together once again to Day Dream Believer. In lieu of flowers and food, donations may be made to the Pikes Peak Humane Society.
