

Shirley Ann Stone

April 28, 1937 - January 17, 2022

Shirley Ann Stone, 84, of Pueblo, Colorado passed away on January 17, 2022. She was born April 28, 1937, in Parker, Colorado. She is preceded in death by her husband, Earl Stone; parents, Christopher Earl Hagen and Nellie Rose Baker; brothers, Christopher and Kenneth Hagen. She leaves to honor her memory, her children, Earl Stone Jr, Daniel Stone and James Stone; numerous nieces and nephews, all who were like her own children and very dear to her. Shirley's motto on life was to keep it simple. She had the means to travel the world, but one of her favorite places to be was at the Pueblo Greyhound dog track. Once or twice a week was just right, plus she was much better at handicapping the dogs than her 3 boys. Shirley loved to cook for people. Breakfast on the weekends was the best, no eggs to order there, fried in bacon grease was the only option on the menu as far as the egg department goes. She was way more flexible with the sides. Everything Shirley cooked was delicious and usually to much. At the end of the day, she had a roof over her head, a warm bed to sleep in, paid her bills (the second they came in), a good cup of hot coffee and a Pall Mall cigarette was all she needed. Life was great and life was good, but always remained simple. A special thanks to her sister-in-law and very special friend, Janet Hagen.

“ Shirley was like a sister to me even though she was just my sister-in-law. I live in Louisiana but we visited via hour long phone calls a couple times a week. Loved talking with her as we had so much in common. I miss her so much already. Her boys were her pride and joy . I know they will miss her Sunday morning breakfasts. 💕🙏

“ Dear Jim, Danny and family,
I happened to run across your Moms obituary just now. I've been looking for one since the day she passed. I feel better now seeing this as it gives me a bit of closer. I loved your Mom! She was much of the reason I looked forward to going to the track. She loved to talk and we had plenty of conversations! She taught me a lot about the dogs and cooking too. Gosh I really miss this wonderful lady! You knew where you stood with her and she was a lot of fun as well. I never heard her complain about anything and she always had a positive attitude. She loved her boys too and her family. I'm so happy to have gotten to know her. I pray that memories of her will sustain you in the days ahead. I offer my sincere condolences to you and your family. Rest In Peace my dear Shirley.
