“ I remember her at Haley and Cedric's wedding, dancing with daughter Bonnie. She seemed like a radiant person. My best to all the family.

“ "Ginger", Virginia (Ginny) Bond, was a wonderful friend, an amazing teacher and a great woman, I worked with her for many years at the State, Colorado State Hospital. She, and her daughter, Bonnie, taught scrapbooking classes for many years. Those classes were the highlight of many Saturdays for me, my sister-in-law and some of my friends. We had a lot of fun together and shared some valuable time with each other. She was a true friend who will be missed by many. RIP Ginger, along with your husband in heaven. My condolences to Bonnie and the entire family.
God Bless you all sincerely,
Betty Castillo
