“ My thoughts and love go out to Jayde and her sisters and their families at the loss of their daddy and papa. I first met Bill when Jayde was at Central and both her parents were great people and just a joy to be around. I am sad for their loss. Good man, who loved his family, was a helluva golfer and a joy to know, in any capacity, whether for a few moments or, as for many, a lifetime. Again, my deepest condolences and most sincere sympathy.

aka "Ms. C" from Central

“ One of the golf icons in Pueblo who was always so supportive of anyone he played with in tournaments. Nicest person I knew, along with all the other brothers. Always looked forward to seeing ZEKE, when I went to golf course.

“ To Jackie and the Bekeza family, please accept my condolences for your loss. Bill and I were best friends during our high school years, even going as far back to junior high in Chicago Heights. A gifted and superior athlete in his teenage years. His athleticism was only exceeded by his friendship and loyalty. His memory will never be forgotten.

“ Bill was one of two big brothers to one of my best friends, Mike Bekeza! Bill was a great guy, a great athlete, and a great brother to Mike, Pat, Barb, and Doreen. I loved, and love, the Bekezas (including Mrs. Bekeza and Lew-Da Boo-Da Koo.) He is already much missed.

“ I always think of the tall lanky guy with the great smile and laugh when passing by Idlewild and Glenwoodie country clubs and when hearing the song *It's a Beautiful Morning* which we always sang on the ride to golf outings. Also remember fondly a second shot he hit on the par 4 11th hole at Glenwoodie. It was destined for the water when it hit a large tree and ended up in the hole for an eagle 2! Always enjoyed our happy times together with Jackie and Bill at the reunions. Many thanks to Jackie for her love and care during Bill's illness. We know how much she loved him. Heartfelt condolences to Jackie and Family. Much Love,

Mickey and Taffy

“ *Bill Bekeza was part of the most proficient brother combination in Colorado State University Pueblo basketball history. Bill Bekeza followed his brother Pat to then-Southern Colorado State College in the late 1960s to become the first brother combination to play together at the school during the 1968-1969 season when the then-Indians captured the inaugural Great Plains Athletic Conference title.*

A four-year letterman at SCSC, Bill Bekeza teamed with Dan England, Steve Kidd, Cal Tatum and Jim von Loh to lead the school to the NCAA College Division 'elite eight' finals in Evansville, Ind., after the Indians won the West Regionals at Massari Gym by defeating UC Irvine and Seattle Pacific.

Bill Bekeza scored 46 points in the three 1972 NCAA games highlighted by a 28-point effort in his final collegiate game as SCSC was defeated by Akron 92-77 in the Evansville quarter-finals. He finished his senior season by averaging 15.5 points, 5.2 rebounds and 3.0 assists a game.

Playing on SCSC teams that posted 14-10, 13-12, 15-10 and 19-9 records, Bill Bekeza scored 933 points and grabbed 318 rebounds in 79 games during his four-season career at SCSC. Combined with his brother's points, the Bekeza scored 2,207 points in 164 games (13.4 points per game).

RIP Bill and I know you and Pat are now chatting with "The Chief"! Both Bill and Pat left us way too early. Two hard-nosed competitors, but more importantly, good friends. Tim Simmons

Funny, the last college games they played, both had their best games against stellar competition.
