Tribute Wall

“ *There are so many memories that it is hard to recount just one. When I was a small child, and I would visit where there were always kids going in and out and there was so much noise and energy in the house, to the time we spent with her when we first moved back to Colorado back in 1977, to the fun times when she lived at Villa Parada in Denver, the memories of her laugh and constant love for her family come back.*

Years later when she and Marv started dating and then married, I was so happy for her, and the life they built together made her content with her life.

Aunt Winnie was very special to me, and I know I will miss seeing her when I come to visit next time. I do know how tired she was getting, and how much she missed Marv, and I am rejoicing with Grammy and Grandad and Uncle Ray, who are so happy to have her back with them.

My prayers for peace and comfort are sent to her brothers and sister and her children and grandchildren.

On behalf of my brothers Gary and Mark, we send hugs and our love to you all.

Aunt Winnie, we will miss you.
